Do you know someone who shares your dream of earning a diploma or degree – someone who might excel in an online learning environment? Now that you've enrolled at Ashworth, why not tell a friend, family member or co-worker?

Many of Ashworth's most successful students have come to us as referrals. That's why we rely on students like you to spread the word about Ashworth's affordability, accreditation and self-paced learning programs. Your friend will later appreciate that your recommendation lead them to a successful career.

And to say **thanks**, when they enroll we'll take \$50 OFF their tuition **and** we'll take \$50 OFF your remaining tuition balance\*. You can provide as many referrals as you want.

Visit [ReferAshworth.com](http://ReferAshworth.com) to tell friends on Facebook and Twitter or send email invitations. Or write your student number on the attached card. Your friend can either mail it in or call the phone number on the card. Who knows... they could become your new study partner.

\*Offer available to Ashworth students only for a total of \$100 per year. \$50 credit will be applied to your outstanding balance once your referral has been a student for 30 days. If the account has been paid in full, a \$50 check will be mailed to you. Please allow up to six weeks to receive.
