### **PANAMA LUXURY HOTEL CELEBRATES "BEST PLACES TO VISIT" TITLE WITH HOTEL DEAL**

*The Panama Marriott Hotel creates special hotel deal for visitors to experience one of the best countries to visit, according to the New York Times.*

Panama City, Panama – Panama is thriving in 2012. Named the #1 place to visit in 2012 by the *New York Times*, Panama has much more going for it than its famous canal. The Panama Marriott Hotel is celebrating the title with a special hotel deal.

This Marriott [Panama luxury hotel](#) welcomes tourists from around the world to experience Panama with its new hotel deal. This special offer makes it easier than ever to visit one of the most intriguing travel destinations in the world. As part of the special, guests will enjoy:

- Deluxe accommodations for two
- Breakfast buffet for two
- Two tickets to visit Miraflores Locks at the Panama Canal

This Marriott [hotel near the Panama Canal](#) lets guests relax in luxurious accommodations while getting a taste of Panamanian culture and history. The tickets to the Miraflores Locks allow guests to see firsthand one of the great wonders of the modern world. The canal itself is undergoing construction and expects to complete a major expansion in 2014, so guests who wish to see the historical Panama Canal should book their trip now to one of the best [hotels in Panama](#).

When the Panama Canal completed in 1914, the shortcut through the Americas changed the way the world traveled. Ships no longer had to travel all the way around South America, making Panama one of the most important places in the Western Hemisphere. Now, tourists are discovering what Panamanians have known all along: the country's culture and people are just as vibrant as the canal itself. With a rich cultural heritage, a beautiful environment and a growing economy, Panama clearly has become one of the best destinations to visit in 2012.

To book this Panama hotel deal, use promotional code K0Q online. Guests traveling to this Panama Hotel must reserve this package at least seven days in advance. A two-night minimum stay is required. This Panama luxury hotel deal is valid Friday through Monday until December 31, 2012. For more information visit [www.marriott.com/PTYPA](http://www.marriott.com/PTYPA)
