RoboJet Disc AutoPrinter™
with Continuous Ink System

6-color process
5760 DPI resolution

Product Features

- Robotic disc feed system for unattended operation
- Label up to 100 inkjet-printable Blu-ray, DVD or CD discs automatically
- Powered by Epson technology
- High-capacity continuous ink system prints more discs between refills
- Refillable ink wells save cartridge costs

A Robotic Disc Printing System That Saves Time and Money

The Aleratec RoboJet Disc AutoPrinter with Continuous Ink System is powered by Epson technology. It is capable of automatically printing up to 100 disc prints at a time. The disc autoloader's convenient design allows new discs to be loaded and finished discs to be unloaded at any time during the print process. The RoboJet AutoPrinter's continuous ink system has convenient and economical high-capacity ink wells that allow you to print as many as 1,800 photo-quality images between refills.* Save on costly ink cartridges which have to be frequently replaced whenever one color of ink runs out. Just refill the well that has run dry with an affordable Aleratec ink refill bottle in the appropriate color (not included). These inks have been formulated by Epson for the highest quality results when used with our Epson-powered AutoPrinter.

* Actual yields will vary depending on usage and print patterns.

RoboJet Disc AutoPrinter™ with Continuous Ink System

Technical Specifications

Disc Capacity: 100

System Requirements:
Pentium III 1GHz, 1GB DRAM (2GB DRAM recommended) Windows 7, XP, Vista
1 Available USB2.0 port

Operation Environment:
Operating Temperature: 50° F to 90° F (10° C to 32° C)
Humidity: 15% to 80%

Media Supported:
Direct-to-disc printing on Inkjet printable 120mm
Blu-ray, DVD or CD discs*

Autoloader Dimensions (LxWxH): 280 x 324 x 197 mm
(Without disc bin or guide rods)   11 x 12.75 x 7.75 in

Printer Dimensions (LxWxH): 289 x 537 x 188 mm
11.4 x 21.1 x 7.4 in

Autoloader Weight: 1.2 kg / 2.6 lb

Printer Weight: 6.2 kg / 13.7 lb

Electrical Specifications:
Autoloader Input Voltage 100-240V AC
Autoloader Input Frequency 50/60 Hz
Printer Input Voltage 100-120V AC
Printer Input Frequency 50/60 Hz

Warranty: Limited 90 days parts and labor

Country of Origin: Assembled in the USA
from components sourced globally.

UPC Code: 808068-00659-6
