

Topic: The Evolution of the Recruiting Function: Is Your Model an Endangered Species?

We'll take a hard look at the evolving specialties within the recruiting function and the danger of thinking today's recruiting model will work for you tomorrow. Reserve your seat for an in-depth discussion that can improve your recruiting processes and efficiency.

Speaker: Jeff Winter, Director of Talent Acquisition, Atterro Human Capital Group

Jeff is responsible for talent acquisition operational excellence and candidate experience for Atterro's brands: Digital People, Hunter Hamilton, Pro Staff and Ware Technology Services.
