

WHY ARIZONA LIVESCAN?

Livescan technology is a process by which fingerprint images are electronically captured and transmitted to a central repository. Livescan devices are equipped with error checking software to reduce fingerprint quality errors. Arizona Livescan provides the best technology to ensure your prints are *done right the first time*.

OUR GUARANTEE
OUR COMMITMENT

100% Quality Fingerprinting

We understand that completing your background check is just one step to get you where you need to be. Using Livescan technology, our professional fingerprint technicians ensure that your fingerprints are *done right the first time*. If you chose to go elsewhere and your fingerprints are rejected *we will reprint them for free*. That's our guarantee—and our commitment to you.
(AFPS Return Notice, AFPU Reprint Card, and original receipt required.)

WHO NEEDS TO BE FINGERPRINTED?

More and more, people require Fingerprint Clearance Cards and background screening as they seek employment, licensing, admittance into a college, university or educational program.

We provide fingerprint collection services for many licensed occupations and professions such as school teachers, realtors, students, volunteers, adopting and foster families, caregivers, contractors working on school grounds and many more who require non-criminal background clearance for employment, education or volunteering.

WHAT TO EXPECT:

ABOUT OUR SERVICE

Arizona Livescan provides fingerprinting services utilizing the industry's most effective way to capture fingerprints electronically—Livescan technology, widely used in law enforcement and criminal justice agencies. Arizona Livescan is a public collection agency for fingerprinting whose services are used by employees, applicants, students, bankers, realtors, volunteers, caregivers and more. Arizona Livescan offers the industry's only *100% Quality Fingerprinting Guarantee.*
