

Topic: What's up with OSHA in 2012

Stay current and continue to develop, maintain and sustain a high performing safety and health program in 2012. Scott Staffon will show you cost effective ways to get your organization into compliance and recommend ways to increase the effectiveness of your safety training program. This informative seminar will offer an opportunity for you to review 2011 OSHA changes and gain critical knowledge and understanding of the latest decisions and policies to help your organization succeed in 2012.

This Executive Briefing is brought to you by Pro Staff.

Speaker: Scott Staffon, CSP - Senior Vice President and Midwest Regional Manager for Willis Safety & Risk Consulting, SOP

Scott Staffon has over 20 years of experience in Safety and Loss Control. He has an extensive background on a wide variety of Risks, from bridge and road construction, mining, manufacturing, to transportation and more.
