

Elite Security Services Announces the Inclusion of Loud Burglar Alarm Siren to All their [Home Security Systems](#)

The advanced range of [home security systems](#) from leading American dealer Elite Security Services has been improved recently with the introduction of a new burglar alarm system. The company offers their dependable security service throughout the United States and Canada. This burglar alarm device is now available with all their service plans.

Elite Security Services' relentless effort to enhance their [home security systems](#) continues with the launch of an advanced burglar alarm device. This advanced device would now be available with all home protection packages offered by the company in America and Canada. Home security enthusiasts may remember that Elite Security Services was formed less than a year ago by noted American security consultant Mr. Paul Shakuri. The company has made significant progress already and is considered by many as one of the most gifted security companies in this region. The inclusion of the burglar alarm would definitely strengthen their position in the market.

The most recent inclusion to the trusted [home security systems](#) from the company has useful features that can make life easier for users. Burglar alarms are only effective when they are loud enough to be heard by the entire area surrounding a house. Efficient burglar sirens are highly recommended by the experts as a deterrent for the miscreants. The alarm system introduced by Elite Security Services has an extremely high pitch so that it can inform the entire neighborhood in case of an emergency situation. During the official launch, of this device, a visibly satisfied Mr. Shakuri said, "This is one of the best burglar siren devices available in today's market. Your home is even safer now with our protection plans".

Elite Security Services specializes in delivery of top class home protection within a shoestring budget. Their basic plan offers the benefits of a standard surveillance system for a monthly expense of \$35.99 every month. The company offers lots of free benefits for their [home security systems](#) users. Elite Security Services is also one of the few companies that actively promote a crime free society by increasing security awareness amongst the home owners.

About the Company: Elite Security Services is a rapidly growing company in the home security industry. They offer highly efficient and economical home security solutions in America and Canada.
