

## **Iris Data Services Names New Regional Director in Miami** **Leading Electronic Discovery Company Announce Zeke Alicea to Run Miami Operations**

**MIAMI, FLORIDA, May 1, 2012** — Iris Data Services, a leading provider of discovery solutions, announced today that Zeke Alicea is now the Regional Director of Iris' Miami production facility. Alicea will be responsible for both Sales and Operations for all of Florida. Iris' office is at 25 West Flagler St., Suite 1011, Miami, Florida, 33130, 305-677-9062. This is a full service litigation support office with complete electronic discovery services, attorney document review, computer forensics, and paper imaging and copying. Iris Data Services is a leading supplier of discovery solutions including electronic discovery, computer forensics, attorney document review, and online hosting.

"Zeke has a strong background in litigation support and discovery operations," said Damon Goduto, Iris' Vice President of Sales. "His experience in all facets of paper and electronic discovery will help our clients apply the right discovery technologies to their daily litigation challenges."

### **About Zeke Alicea**

Zeke Alicea has over 10 years experience supporting top tier law firms and corporations in litigation technology in both Miami and San Francisco. He has a proven track record of successfully managing large-scale litigation projects, a strong familiarity with databases such as Relativity, Summation and Concordance, and a sound understanding of processes, procedures, and FRCP rules. Alicea recently assisted in opening both the Miami Data Center and Production facility for Iris' entrance into the Florida market place. Further, he lead the sales efforts so effectively, Iris was forced to move to their Florida operations to a larger production facility in December of last year. Alicea has a proven talent for consistently and successfully identifying his client's needs and creatively tailoring solutions and strategies to fit those needs.

### **About Iris**
