

You can be part of the Heritage Healthcare Difference.

We are not a typical rehab services company.

Heritage Healthcare has a unique philosophy we call *Compassionate Care*. It's a personal touch designed to help speed recovery and improve outcomes, but it's not reserved for the residents we treat. *Compassionate Care* applies to our Associates, too. We hire people who share our vision, who work diligently and use their time to provide the kind of care that will help change our patients' lives for the better.
