MISSION

At Trim Electric, we strive to give our Commercial, Industrial & Residential customers' unparalleled service and reliability by providing experienced, professional, safety trained licensed electricians. Trim Electric has been serving the Greater Houston Area since 1978 and we have a long list of satisfied, repeat customers. We firmly believe in a 'Continuous Improvement Philosophy'.

HISTORY

We began as a small service company and grew throughout the years by providing fair pricing, stellar service, & follow-up. **Why have our clients been coming to Trim Electric for 30+ years?** - Because they can count on us. We work hard to please our customers and to earn their trust, and we have earned a reputation for quality and integrity. Even though we have kept up with the technological changes in our industry, we remain focused on honest old-fashioned service. That's why repeat customers make up a substantial part of our business. As word of Trim Electric's quality and dependability spread, the scope of our operations widened into larger & more complex projects.

RECENTLY COMPLETED PROJECTS

Target Remodels - \$ 850,000 Katsuya Restaurant - \$ 426,527 West Marine - \$ 344,509
 Rhodes Rd. Business Park - \$228,000 Space Containers - \$ 102,374

PRE-FAB

In order to meet short deadlines on some projects we have built a PF (Pre-Fab) Shop in our warehouse. We can have up to 50% of a project prewired in our PF Shop including measured, pre-cut, bundled and labeled by room or area including homeruns which are ready for installation on any jobsite. This system allows us to stay ahead when roughing in below-slab conduits, walls and above ceilings with fewer men on the jobsite.

MEMBERSHIPS & AWARDS

Woodlands Chamber of Commerce, A+ Rated & Awards for Excellence "Winner of Distinction" 2011 with BBB, Angie's List 2006,2008 - 2010 Super Service Award Winner, IFMA, IEC Member.
