

The Adapter

Connect the CC42x96 with any steel crowd control barricade on the market with The Adapter

High quality aluminium post adapter.

Quick and easy connection.

The Billboard Barricade

Known as the "billboard" barricade. This quality crowd control barricade has many terrific features, including the ability to display graphics and signage via a highly visible (36"x28.5") advertising panel. Now with The Adapter you can attach the CC 42x96 to any steel barricade on the market.
