

ScoutRock Members' 2012 Schedule

MANAGING EXECUTIVE SEARCH IN-HOUSE?

ScoutRock is committed to enhancing corporate, not-for-profit, and government executive-talent search and acquisition.

[Request Membership](#)

DETAILS:

The Thought Leaders' Fora will include:

- **Case Studies**

Discuss, review, design, and develop case studies in pursuit of deeper understanding of complex issues in executive-talent acquisition and management.

- **Third Party Experts**

Learn from the individuals and organizations that influence, audit, and monitor executive recruiting. Guest speakers at ScoutRock's fora are people with specialized knowledge and capabilities developed through working with hundreds of organizations.

- **Roundtable Discussions**

Benchmark with colleagues to facilitate meaningful process and performance comparisons, enable best practices identification, highlight improvement opportunities, and generate value-added learning.

JOIN YOUR COLLEAGUES AT SCOUTROCK'S THOUGHT LEADERS' FORA

ScoutRock hosts ten theme-based Thought Leaders' Fora annually providing presentations by subject matter experts and opportunities for the open sharing of ideas, experiences and learning.

Whether your team is managing search vendors or providing direct executive search, attendance at ScoutRock's fora facilitates staying current on trends and best practices, sharing lessons learned, and discussing ideas with colleagues.

ScoutRock makes every effort to adhere to published agenda and schedules, but they may change depending on speaker availability. Changes will be posted on ScoutRock's website and also emailed directly to members.

Led by Caroline McClure, Lockheed Martin's former Director of Executive Recruiting, ScoutRock delivers benchmarking, networking, and consulting services to organizations' executive recruiting and executive talent management functions. We provide leaders in executive talent acquisition—in business and in government—with forums for knowledge exchange and with solutions for building, deploying, or better leveraging in-house executive recruiting initiatives.
