Meet the **xTablet® C1200** rugged convertible tablet PC. The high-performance C1200 convertible tablet is specifically designed for the always-mobile professional who needs superior connectivity and access to business applications anytime, anywhere. This versatile device quickly and easily transforms from a rugged laptop to a Tablet PC making it ideal for field service, military, public sector, health care, agriculture, delivery and other mobile applications. The easy-grip handle lets mobile professionals quickly grab it and go.

The xTablet C1200 is built tough to handle the bumps, drops and spills of real-world use. It meets MIL-STD 810G requirements and tested to survive drops from 4'. A special spill resistant design protects the keyboard, touchpad, speakers, wireless and power switches, and all ports are dust resistant. This unique spill-guard design extends the life of the device by allowing liquids to dissipate through the bottom of the computer reducing the risk of damage. The C1200 keeps running for 4 hours with a hot-swappable 6-cell Li-Ion battery and runs a full 8 hours with an optional second battery to enable all-day use and even greater productivity.

The xTablet C1200 is WLAN and WWAN compatible and offers optional Bluetooth. Security features include TPM 1.2 technology, a fingerprint scanner and BIOS administrator password / boot password. The rugged xTablet C1200 with Microsoft® Windows 7 Professional is powered by the high performance performance Intel® Core™ i5 560UM processor with Turbo Boost up to 2.13 GHz and Intel® HM55 chipset with 4GB RAM standard and with up to 8GB of memory.

The xTablet C1200 Tablet PC features a large 12.1" convertible TFT backlit touch screen with a sunlight readable display option for optimum viewability indoors, in-vehicle and in the field. It offers keyboard and finger touch data entry as well as signature capture and more precise handwriting recognition. It has a 1.3 mega-pixel camera and a full suite of optional accessories including an office dock, vehicle dock and car adaptor.
