RESIDENCE INN FRESNO KEEPS OLD-TIME HOSPITALITY FRESH WITH \$2 MILLION RENOVATION

Grand reopening party planned to highlight remodeled kitchens, accommodations and public spaces

Fresno, CA – Old-fashioned hospitality is about the only thing that remains the same at the newly refurbished [Residence Inn Fresno](#).

A soon-to-be-announced launch party and ribbon-cutting ceremony will celebrate more than \$2 million in renovations that touched every corner of the Fresno, CA, hotel’s interior. Guests, city officials and local business owners are encouraged to check out the hotel’s more inviting lobby with a new buffet for daily complimentary breakfast along with its redone rooms and expanded fitness facility.

Part of Marriott’s commitment to improving guests’ experiences from the minute of their arrival, the hotel’s lobby received new furniture and flooring that extends into all public spaces, hallways, stairways and the meeting room.

The makeover project reached deep into the heart of the hotel’s interior, which sports modern rooms complete with new carpeting, furniture and desks and bathrooms restyled with new tile and tubs. The full-service kitchens in each of the 120 suites now have stainless-steel stoves, refrigerators, microwaves and dishwashers that complement the brightly lit spaces and new granite countertops.

One of the premiere [extended-stay hotels in Fresno, CA](#), also boasts an expanded fitness center with state-of-the art cardio equipment and an outdoor pool and whirlpool that will surely encourage plenty of rest and relaxation time.

The Residence Inn Fresno will continue to welcome four-legged friends with special treats and remains dedicated to offering daily housekeeping and dry cleaning services, onsite laundry facilities and evening social hours on Mondays through Thursdays.
