

MOBTOWN **moon**

BE PART OF BALTIMORE MUSIC HISTORY!

Some of Baltimore's best musicians are collaborating on **MOBTOWNMOON**: a beautiful new version of Pink Floyd's classic album, *Dark Side of the Moon*.

MOBTOWNMOON will feature cool sound effects collected right here in Charm City. Harbor foghorns, horse-drawn carriages selling fruit, fancy beeping medical equipment...whatever says "Baltimore" to you.

For information and instructions, visit
www.mobtownmoon.com/soundscape

IT'S EASY TO PARTICIPATE!

MOBTOWN **moon**

Even if you don't sing or play an instrument, you can take part! Use your cell phone, tablet, or mp3 to record unique and interesting sounds around town.

Five soundfiles will be chosen to appear on **MOBTOWNmoon**. All clips will become a permanent part of the interactive sound map for

A creative initiative of The Hearing and Speech Agency (HASA) to map Baltimore's unique sound print.

The Baltimore Soundscape Project
...for a sound-conscious city
