[Internet marketing](#) consultant and trainer Michael Bashi has just introduced a new section on affiliate marketing to his popular training website [www.successtobusiness.com](#). The website is already considered to be a comprehensive training resource for several other types of home based business. Mr. Bashi is a familiar personality in the online business community in this part of the world and has served the industry with distinction for several years. One may recall that he has already developed many popular online coaching websites in the past. The new section added to [successtobusiness.com](#) offers a detailed discussion covering all important aspects of affiliate marketing.

The reputed [internet marketing](#) expert recommends affiliate marketing as the best home based business option for those starting on a tight budget. Another key advantage of an affiliate business is that it can be started without own products. However, many affiliate marketers fail to continue long enough because they are not able to handle its intricacies. Mr. Bashi has stressed on the selection of products that are genuine and are used by the consumers on a daily basis. He has also advised the marketers to be extremely careful while selecting their affiliate network. Videos and article marketing are two of the strongest tools for building a successful affiliate business, according to Mr. Bashi.

Talking about the benefits of affiliate marketing, Mr. Bashi says, "This is a great alternative to a conventional offline venture and is one of the most unrivalled streams of passive income. If you're on a shoe string budget and are looking to bring in some extra cash, then marketing products online is the ultimate solution". He has also added that more new sections are about to be added to [successtobusiness.com](#). The addition of this new section to the website has been appreciated by [internet marketing](#) enthusiasts looking to start their home based business.
