TIME IT! ANTI-AGEING DAY CREAM (Acrylic jar, boxed, 50 mL / 1.75 oz)

Mineral Line new Time it! anti-ageing DAY CREAM is an extraordinary new formulation proved to significantly reduce wrinkle depth over your face area, in a short period of time. Its active agents stimulate the production of specific skin barrier proteins that are essential to maintain skin integrity and flexibility, as well as to reduce water loss from the skin cells, stimulating at the same time the regeneration of the tissue and thus, visibly reducing face lines.

Its exclusive combination of the most powerful minerals taken from the depths of the Dead Sea, and the lately discovered UNIPROSYN PS-18 + UNIPROTECT PT-3 new active agents, ensures a full skin care protection, reducing the effects of photo- and chronological ageing, and considerably decreasing and preventing skin pigmentation (age/sun spots), thanks to its active performing UV sun filters.

Feel young and free with Mineral Line new Time it! anti-ageing line.

It all depends on you!

TIME IT! ANTI-AGEING NIGHT CREAM (Acrylic jar, boxed, 50 mL / 1.75 oz)

Its unique combination of salts, minerals and black mud brings back all the elements your body loses during the day, leaving a wonderful feeling of renewal and youth on your skin. Spread a gentle layer of Mineral Line's **GENUINE BLACK MUD** all over your body and relax! Let Mineral Line work for the beauty of your skin.

Use it once or twice a week, for the greatest feeling ever!

GENUINE DEAD SEA BATH SALTS

(Laminated plastic bag, 250 g & transparent plastic bag, 500 g & 250 g & plastic jar, 1 Kg & 3 x 500 g in decorated box)

Mineral Line's **DEAD SEA SALT** contains 100% natural SALT extracted from the Dead Sea, and is brought now to your bath to give you a unique feeling of smoothness and comfort. Besides from having a considerable therapeutic effect on people with skin ailments, a hot bath containing Dead Sea salts has proven to relief muscle tension and bone pain, as well as to smooth and nourish the body's skin as all those wonderful minerals are being absorbed by the body.

The Dead Sea salt is a mixture of several minerals, inorganic substances mainly formed by Magnesium, Bromine, Sodium, Potassium, Chlorine, Calcium and more. In the human body the influence of those minerals shows mainly in the cell metabolism and on the skin, being responsible mainly for stabilizing the natural moisture of the epidermis by nourishing the cell's tissue.

Suitable for daily use.

SLIMMING GEL / ANTI-CELLULITE GEL (Plastic tube, boxed, 250 mL / 8.8 oz)

Mineral Line's **SLIMMING GEL** is a powerful formulation based on the most concentrated minerals taken from the depths of the Dead Sea, which helps reduce the appearance of cellulite and significantly decreases the skin's roughness, restoring the firmness of your skin from the inside out.

Easily absorbed, it contains Vitamin A and E to reinforce the Collagen and Elastin fibers, which allow the body tissues to resume their shape after stretching or contracting, and preventing free radicals from causing premature skin aging.

For best results, use it 3 times a week for a period of 6 weeks, accompanied by a basic diet and a good exercise program.

BODY PEELING (Plastic jar, unboxed, 500 g)

Mineral Line's **BODY PEELING** is a body polishing product based on the most concentrated minerals taken from the depths of the Dead Sea. It cleanses and polishes your body leaving your skin silky soft, for the greatest look ever!

Its active agents stimulate the skin tissue, gently peeling off the dead cells from the skin and bringing back all the good elements your skin loses during the day.
