FOR IMMEDIATE RELEASE

EVENT SOLUTIONS is proud to launch a new website that brings users new features, a sharp new design and a brand new navigation system.

Regarded as one of the top event planners in Southern California for over twenty five years now, **EVENT SOLUTIONS** successfully organizes events in Los Angeles, Orange, Santa Barbara, San Diego and Riverside Counties. **EVENT SOLUTIONS** has handled hundreds of top corporate events, company picnics, product launches, grand openings, premieres and parties of all shapes and sizes. From Malibu Beachfront properties to Sporting Stadiums. From Corporate Picnics in the park to Hollywood Premieres and after parties, **EVENT SOLUTIONS** has organized the best of them.

We remain a top Los Angeles Event Planner for some of the hottest events in some of the best venues in Southern California. We started small and over the years have carefully built a solid reputation as one of the top players.

Event Solutions is widely recognized as a major Orange County Event Planner as well, planning corporate picnics and weddings, with a wide range of services that includes handling Security, Transportation, any required permits as well as bringing the very best food always cooked fresh on site.

Over the years our events have taken us all over Southern California.

The new site incorporates the latest technology and the most up to date navigation system.

"We're extremely proud of the new site and are very happy to continue serving Southern California for over twenty five years"

-- Brad Lipshy, founder and CEO.

"With over two decades experience, **EVENT SOLUTIONS** remains at the top of their game."

--Johnny Brenner, designer.
