

## **Well Known Internet Marketing Expert from Toronto Introduces New Website Offering Free Tips for [Skin Tag Removal](#)**

Michael Bashi, a noted online business consultant and trainer, have just launched a new website providing free [skin tag removal](#) guidelines. Mr. Bashi runs a successful online marketing business and has recently started venturing into several other arenas, skin care being the latest of them.

A new website offering detailed information on [skin tag removal](#) and related topics has just been launched by Ontario based business trainer and consultant Michael Bashi. The website is a comprehensive online resource that can be extremely helpful for those suffering from skin tags. Mr. Bashi is considered by the industry experts to be an online marketing genius with an illustrious career ahead of him. His company Internet Marketing Services has recently started diversifying into several fields that are not related to online marketing. The website has different sections describing causes, home remedies, different treatment methods, and myths concerning skin tags.

Though skin tags are non cancerous, [skin tag removal](#) is highly recommended because they can lead to irritation and low self esteem. In medical terms, skin tags are known as Acrochordons, and refer to small tumors that are found attached to the skin by thin tissues. Skin tags form most commonly in areas like armpits, eyelids, genital areas, around the neck, in areas below the breasts. Recent studies suggest that skin tags are formed due to excessive buildup of fat on our skin. The website [www.skintagshelp.com](http://www.skintagshelp.com) informs that the treatment of skin tags is no longer expensive.

Though home remedies are available for [skin tag removal](#), the website recommends consulting a physician as the safest bet. Clinical procedures like cutting, freezing, stricture, diathermy, and laser are some of the most effective treatments. It also advices the readers to be careful about infections resulting from bleeding during trying out the home remedies. Talking about this website, Mr. Bashi recently commented, "We are diversifying big time into several fields. We want this website to be our stepping stone in the wellness industry. All relevant information about skin tags is available in [www.skintagshelp.com](http://www.skintagshelp.com)".

About the Company: [www.skintagshelp.com](http://www.skintagshelp.com) is a recently launched website providing in-depth information about all aspects of skin tags. This website is presented by Internet Marketing services, a well known online marketing company led by Michael Bashi.
