PowerNet Global was represented in the Small Business of the Year (51-250 employees) and the Community Involvement categories, along with five other companies in each division. Also recognized in the Community Involvement category, PowerNet Global was chosen for its everyday practices that include sponsoring and participating in events that give back to the community, providing financial contributions to various causes, and encouraging employees to volunteer personal time with its Charitable PTO program.

"We work hard to be an organization that's good on the inside – to our employees, promoting corporate culture and wellness – as well as on the outside, by supporting organizations that help others."
