Commercial Services

From commercial property marketing, tenant leasing and rent collection to obtaining quotes and arranging for major repair projects, you'll get it all when you work with the commercial property management specialists of Imperial Properties. You'll have access to a customizable property management solution that fits perfectly with the needs of your commercial properties.

Simply put, we want your property to succeed, and are dedicated to enhancing the investments you've made in it.

A wide range of services

At Imperial Properties, our team provides you with expert management services that cover all of your current and potential needs. These services include:

- ➔ Property marketing
- ➔ Tenant leasing & renewals
- ➔ Rent collection
- ➔ Common area expenses
- ➔ Property expenses
- ➔ Monthly financial statements
- ➔ Quotes for major work
- ➔ Arrangement of property repairs
- ➔ Special lease terms
- ➔ Comprehensive redevelopment services

In addition, before we get started, we'll provide you with a list of information that we require before submitting a formal proposal. This will give us what we need to thoroughly examine the unique aspects of your property, and help us get started to immediately improve and manage your investments.

Are you ready to receive enhanced commercial property management services? Call Imperial Properties today at 204-272-8799.
