

# LD Refrigerator Lock

Protect the contents of  
your refrigerator!  
Easy to Install

Apply glue to  
patented Flex Feet.

Position the lock on the refrigerator  
and hold firmly for 100 seconds.

Our **Refrigerator  
Lock** can install on  
almost any refrigerator.

Allow the lock to  
cure for 24 hours.

After 24 hours  
access the refrigerator.

Keep **food** safe in the  
break room! Keep  
**medical supplies** safe!

The contents of your refrigerator  
are now completely secure!

**Patented, professional**  
design gives you  
peace of mind!
