Message from the CEO

Carlos Garcia

“At the end of the day, people do business with people and businesses need to build brand intimacy and human conversations. At ComTranslations we pride ourselves on remaining a personal yet entirely professional Translation Agency. Our goal has always been to provide our client base with a range of services that meets, even exceeds, their needs and expectations. We offer solutions for businesses worldwide and in any industry.” **Carlos Garcia - CEO.**

ComTranslations is an international translation agency, unique for its TrRank and Translation Management System and innovative in its translation services. The most recent service launched by ComTranslations SocialLingo, a first of its kind Social Media Translations.

Why ComTranslations

1. NATIVE TRANSLATORS

Employing only native speaking professionals ensures that we deliver top-quality, precise translations, preserving the original message.

2. MONTHLY PACKAGES

With our monthly business solutions packages, clients are benefiting from an ongoing service at discounted rates.

3. NO MACHINES

There are no translation engines involved. You get 100% human translations, in over 140 languages, and a comprehensive range of services.

Translation Quality Process

ComTranslations guarantees to match the best translators to each individual project, using a proprietary system through the Translation Management System: TrRank
