

FREE DENTAL CARE!

EL MONTE DENTAL OFFICE WELCOMES THOSE IN NEED

Last year we provided **FREE** dental care to **77** friends and neighbors at our first event.

On Friday June 8th we want to "beat our best" and help 100 people get the care they need and deserve!

If you or someone you know needs care, don't hold off any longer...

Come on down! We'd love to have you!

El Monte – On June 8, 2012 Mountain View Dental will host their second annual "Dentistry From The Heart" event to benefit those in need of dental care but are not able to afford it.

"We know it can be tough on families today to get basic dental care. Some may have lost their insurance, and others simply can't afford to pay out of their own pockets. That's why we wanted to be a part of this program," says owner Dr. Emily Letran.

At their 2011 event, Mountain View served 77 people from the surrounding community (that's over \$14,000 in free dental care). This year they're hoping to beat that number and help at least 100 people in need.

If you or someone you care about has been holding off on much needed dental care due to cost, please come down to Mountain View Dental in El Monte!
