

PRESS-RELEASE

**Harold Jackson III and Michael Norwood in Maryland**

Rockville, MD, May 31, 2012 --- June is shaping up to be an exciting month for The Levy Group, LLC as two of their clients are highlighted in the Washington, D.C. metropolitan area. On Sunday, June 3rd, award-winning director Harold Jackson III will be at screenings for his first documentary, "BURN: The Evolution of an American City," as well as his most recent short film, "[The Gift](#)." Both features will be shown at the [Washington D.C. South Asian Film Festival](#), located at The Universities at Shady Grove in Rockville, Maryland. The three-day festival begins on June 1st.

Another client of the company, Atlanta-based songwriter and bassist [Michael Norwood](#), will be performing on June 1<sup>st</sup> at an invite-only event hosted by Prince George's County Chamber of Commerce, located at the Marriott Inn and Conference Center in Hyattsville, Maryland. Norwood is a versatile artist who has shared the stage time and time again with both Grammy and American Music Award winners.

Harold Jackson III's award-winning documentary [BURN: The Evolution of an American City](#) has been airing monthly on the Documentary Channel™. Catch the next viewing on June 14th at 2:30 PM EST. The film recently won the Best Documentary award at the Hollywood Black Film Festival in Hollywood, California. Jackson is also participating at the [Boston Roxbury International Film Festival](#) in June and the [Laughlin International Film Festival](#) in October.

[The Levy Group, LLC](#) is an artist management company specializing in developing diversified management strategies for a wide range of clients. Founded in 2009 by Prince Levy and his wife Shondraya Grant-Levy, the Prince George's

County, Maryland-based company represents clients nationwide. Levy said, "Our mission is to assist in the development and branding of our clients and we want to do so with the highest standards and integrity."

The Levy Group's diversity in their client base extends from Grammy

nominated musicians to independent film producers, motivational speakers, and fashion designers.
