Cirrus Medical Staffing Announces Annette Bolster as Nursing Recruitment Manager

Healthcare Staffing Industry Veteran Bolster Runs Recruitment Operations for Nursing Staffing Division

Charlotte, NC — Cirrus Medical Staffing (www.cirrusmedicalstaffing.com), an industry leader in travel nursing and allied healthcare staffing, today announced that healthcare staffing industry veteran Annette Bolster has moved into the role of Nursing Recruitment Manager for Cirrus' Travel Nursing Division. Effective immediately, Bolster is responsible for the placement of travel nurse professionals for clients within the hospital, skilled nursing, outpatient, and home health sectors.

"We're very pleased to have Annette move into this role," said Randy Holloran, President of Cirrus Medical Staffing. "Annette brings a wealth of knowledge and a track record of success into a key position in our organization. Our rapid growth in the travel nursing sector requires the type of top-level leadership, experience, and industry knowledge that Annette brings."

Ms. Bolster joined Cirrus Medical Staffing in 2007 as a Senior Recruiter, and was voted "Employee of the Year" in 2010. Ms. Bolster's father was a long-time administrator for some of the largest hospital systems in the United States, which helped develop an interest in nursing and healthcare staffing early in her professional career.

"My approach to healthcare staffing and recruitment at Cirrus is a simple one: we pride ourselves in giving the best customer service possible to our travelers so they will never feel the need to work with any other staffing firm," said Bolster. "We know how difficult their job is, so we want them to know there is someone who sincerely cares for them and appreciates the importance of what they do every day."
