### AVAILABLE SERIAL NUMBER RANGES

<b><i>MARLIN</i></b>	
<b>MODEL</b>	<b>NOTES</b>
1881	All lever action rifles. Most included in a consecutive serial number range.
1888	Serial number range: 4096-355419 (sketchy records 160000-172500) including the following serial numbers below 4096
1889	
1892	286, 673, 1069, 1542, 1774, 1893, 1912, 2020, 2065, 2453, 2475, 2510, 2513, 2977, 2989, 3910, 3925, 3960
1893	Marlin Firearms Co. had only one series of serial numbers for all lever action repeating rifles from 1883-1906; therefore serial numbers do not reflect the place in production of sequence number of a gun within a model.
1894	
1895	Some records show two or more firearms with the same serial number from the same time period.
1897	
1898	Shotguns. SN 19601-67000

### ***L.C. SMITH***

Existing L.C. Smith shotgun records include:

Hunter Arms Company factory records 1890-1919  
(including Fulton and some single barrel guns)  
Hunter Arms Company shipping records 1918-1946  
L.C. Smith Gun Company 1946-1950 (FWS prefix)  
Marlin Firearms Company 1969-1971 (FWM prefix)

Some gaps exist with the records. Amount of information available is dependent upon period of production.

Please specify hammer/hammerless, gauge, and barrel length.
