**PSCPets.com Rescue Outreach Program Teams up with PAWS**  
*PSCPets.com and Customers Donate Digestive Health to Dogs and Cats in Need*

**Menomonie, Wisc., June 1st, 2012** – [PSCPets.com](http://PSCPets.com), a leading online supplier of health and wellness products for pets, has teamed up with [Pamlico Animal Welfare Society, PAWS](http://PamlicoAnimalWelfareSociety.org), to help animals in need. Throughout the month of June 2012, PSCPets.com will be sponsoring a [Rescue Outreach Program](http://PSCPets.com/RescueOutreachProgram) and will be working with customers to donate [PSCPets IntelliFlora](http://PSCPets.com/IntelliFlora) for Dogs and Cats in need.

[PAWS](http://PamlicoAnimalWelfareSociety.org) is located in Oriental, NC and is dedicated to providing affordable spay and neuter services to help decrease overpopulation and limiting the number of unwanted pets that are neglected and abandoned in Pamlico County and the surrounding areas. Although their focus is assisting with spay and neuter programs they are also dedicated to “Helping the Helpless” by educating the community about responsible pet ownership, helping pets in need with a pet food pantry, giving money towards veterinary care, and helping find good homes for animals waiting to be adopted. [PAWS](http://PamlicoAnimalWelfareSociety.org) relies completely on fundraising activities and donations from animal lovers around the world.

During the month of June for every \$2 that a customer donates to the [Rescue Outreach Program](http://PSCPets.com/RescueOutreachProgram), [PSCPets.com](http://PSCPets.com) will cover the rest and donate a bottle of [PSCPets Brand IntelliFlora](http://PSCPets.com/IntelliFlora), worth \$14.99. [IntelliFlora](http://PSCPets.com/IntelliFlora) is a nutritional supplement designed for the dietary management of dogs and cats with diarrhea. It contains a blend of four live active bacteria strains and has been proven to promote intestinal health as well as healthy immune system functioning. Additionally, [PSCPets IntelliFlora](http://PSCPets.com/IntelliFlora) can help maintain both cats and dogs overall digestive health during times of stress such as after surgery, training, boarding, and following antibiotics, which makes it an ideal product to donate to [PAWS](http://PamlicoAnimalWelfareSociety.org).

Complete details about this [Rescue Outreach Program](http://PSCPets.com/RescueOutreachProgram) can be found [online](http://PSCPets.com/RescueOutreachProgram).
