WEBINARS | WEBCASTS | CLE EVENTS

At BeaconLive, we are dedicated to delivering Continuing Legal Education webinars, webcasts and online events for the legal industry. Attorneys have many critical requirements placed upon them by their accreditation bureaus for keeping up with the advances in their legal practice, and acquiring the training online is becoming the leading way for CLE providers to deliver their content. When BeaconLive partners with a company to deliver professional Live and OnDemand events, we provide a solution greater than just our seamless technology, but an exceptional service behind each event with guaranteed success.

Are you looking for a CLE Provider who can deliver:

- A dedicated and knowledgeable Event Services Team to work with you throughout the complex lifecycle of your event?

- A completely customizable and brandable CLE platform to fit your organization's needs?

- 100% reliable services using proprietary, state-of-the-art technology?

- A fully integrated and streamlined service that combines registration services complete with e-commerce capabilities, streaming audio/visual, and OnDemand viewing options?

- A CLE platform that verifies participation, delivers evaluations, administers final exams and provides certificates to participants?

With BeaconLive's proprietary technology, we have the capability and experience to handle each detail behind delivering your professional and seamless event. Can your event afford to be anything less than professional, flawless or perfect? We didn't think so either. Schedule a demo with BeaconLive to learn how when we partner with you, we become an extension of your team.

At BeaconLive, our solution is not our service, but rather the value that we provide to you.
