

Trustworthy [Surprise Home Security](#) Now Available for \$1/Day, Thanks to the Basic Home Protection Plan from Elite Security Services.

Reliable [Surprise home security](#) has just become affordable with the launch of Basic service plan by Elite Security Services. This cost effective home protection package is well known for offering high quality home protection service plans for almost as little as \$1 per day.

[Surprise home security](#) is no longer expensive since the recent launch of Basic security plan from Elite Security Services in this part of Arizona. The company has been offering reliable protection service for households in Surprise since last one year. The nationwide provider of domestic surveillance systems is particularly known for their economical security plans. The basic package from the company is now available in Surprise for a nominal rental of \$35.99 per month. This basic service plan from Elite Security Service has immediately received encouraging response from homeowners in and around Surprise. The best thing about this home protection plan is that it offers all the standard features of an advanced surveillance system for an affordable price.

There are many reputed [Surprise home security](#) companies that have been operating here for many years, and many of them have some excellent security plans. However, before Elite Security Services, no other company has designed security plans designed to suit the tight budget of a common man. These low cost surveillance plans consist of sophisticated security devices like digital keypad, door and window sensors, keychain remote control, loud burglar alarm, pet immune motion detector, and much more. The customers also receive discounts on homeowner's insurance and ADT move certificates with their home security package.

Elite Security Services is owned and managed by well know home security consultant Paul Shakuri. His long term mission behind creating this organization was to play a part in building a society without crime. Talking about the overall condition of [Surprise home security](#), he states, "Though there has been some improvement in the last few years, the condition still remains to be a cause of concern. Apart from installation of security systems, the homeowners must take all necessary steps to ward off intruders from their home". It must be mentioned here that Elite Security Services maintains an excellent blog to share home protection tips with home owners.

About the Company: Elite Security Services is a rapidly growing company in the home security industry. They offer highly efficient and economical home security solutions in America and Canada.
