

# Pure Organic Goldenseal

Trusted Results

As a special introductory offer, we're offering our customers a higher quality 4 ounce bottle of *any* Goldenseal Advanced™ formulation for \$24.95\*

America's favorite herb duo helps the body's immune system protect you in crowded places. Great for children and adults where germs are likely to flourish.

Helps you avoid painful mouth and gum irritation by maintaining healthy oral tissues. Refreshing spearmint flavor for great taste and fresh breath.

With your first tickle, snuffle, or cough, start Day One and support your body's natural immune response. Soothe inflamed tissues to help you breathe better.

For restful and relaxed sleep and comfortable nighttime digestion.

Helps your body maintain comfortable digestion and controlled bowel movements.

May be beneficial in relieving conditions associated with menopause including weight gain, hot flashes, and hormonal imbalances.

Helps your body remove unwanted toxins, drugs, and parasites. Not intended to mask drug test results.

Along with exercise and a healthy diet, may help you sustain an active, energetic lifestyle fueled by a healthy circulatory system.
