

Distracted Driving Survey

Presented By: Dock-N-Lock LLC

1. Do you follow distracted driving in the news?

2. Are you aware of the current legislation that affects motor vehicle drivers in your state, particularly regulations passed by the Federal Motor Carriers Safety Association?

3. Do you have a written cell phone policy in place? If so, how do you enforce the policy?

4. Has your company experienced distracted driving accidents due to cell phone use? How frequently?

5. Have you experienced a lawsuit due to distracted driving? If so what was the outcome of the case?

6. Are you currently considering implementing a solution to prevent distracted driving? What is your time frame?

7. What distracted driving solutions have you looked at to date?

8. Who is your insurance carrier? Do they offer any discounts for implementing safety solutions such as anti-theft devices, GPS tracking, etc.?

9. Would you be interested in participating in a "pilot program" of a distracted driving solution this fall?

10. Do you have teenager that drives or is about to drive? If so, do you educate them about the dangers of distracted driving?
