

WorldAPP Data Collection Platform

If you need to collect data, analyze the results, and create professional reports – this software lets you do it all. Key Survey/Extreme Form is loaded with ready-to-go templates to get you started fast – or easily build your form/survey from scratch. Customise it with your logo and favourite colours. Then show off your results in text and graphs. There's no software to download. No technical skills required. Best of all, online Live Support is available 24x5 and is always free.
