Le Breton Recruitment has been our nurseries lifeline for agency cover staff. The response from consultants Jenn, Diane and David alike is fantastic, and they are always happy to help and are very personable. I would happily recommend them to any nursery that is looking for an agency to use for staff cover.

### **Vicky Rutter- Nursery Manager at My First Friends Nursery, Rubery, Birmingham**

I have been a Nursery Manager for 7 years and in that time I have used various different agencies until I found Le Breton. We have used Le Breton for short and long term cover and have always been extremely happy with the service provided.

I have developed a good relationship with both Jenn & Diane and feel they fully understand the needs of our business when assigning us a member of staff.

I highly recommend Le Breton to other nurseries, for professional and competent Agency staff.

### **David Holmes-Munchkins Nursery & Hillfield Grange Nursery, Shard End, Birmingham**

Munchkins Nursery has used Le Breton Recruitment for several years and has always been pleased with the service. We can count on them for last minute staff to cover sickness as well as long term, and have always known them to be polite, friendly and very professional. Jenn and Diane are responsive to our feedback and as such always supply staff that meets the needs of the nursery, and not just a body to fill a gap. I would not hesitate to recommend them to anyone looking for reliable agency cover.
