COURTYARD MEMPHIS AIRPORT HOTEL COMPLETES MAJOR LOBBY RENOVATION

The Courtyard Memphis Airport Hotel announces a new lobby design featuring high tech GoBoard®, work and social spaces and 24/7 food and beverage market.

Memphis, Tennessee – Skip the same old [Memphis Airport hotel](#) experience and book a stay at the new, uniquely designed Courtyard Memphis Airport Hotel.

One of the best [hotels near the Memphis Airport](#), the Courtyard hotel announces the completion of the new Refreshing Business lobby concept. The new lobby allows guests to enjoy more flexibility to work or socialize.

“From day one, Courtyard has prided itself as a brand that listens to what travelers want from a hotel,” said Janis Milham, vice president, Global Brand Manager, Courtyard by Marriott. “Guests want more control and choice with services and amenities that create a healthy balance between working and relaxing. We redefined the Courtyard lobby so it invites guests to get out of their rooms to work, socialize or for entertainment, whether traveling alone or with colleagues.”

Guests will notice the changes to this [Memphis Airport hotel's](#) lobby from the moment they walk through the door. Vivid contrasting colors, including blue, green, orange and red, create a warm and vibrant greeting. Also immediately noticeable is the front desk, replaced with separate welcome pedestals to create more personal and private interactions when guests check in.

Guests at this hotel near Memphis Airport are encouraged to relax and put their feet up with comfortable new seating options. These spaces include a communal table in the middle of the action, more private media booths with high-definition televisions, and a more intimate, semi-enclosed lounge area.

A signature element of the new lobby is the exclusive GoBoard[®] technology, a 52-inch LCD touch screen packed with local information, maps, weather, and news, business and sports headlines. Unique among Memphis Airport hotels, this helpful device lets guests navigate its touch screen to find restaurants, local attractions and directions.

Guests can connect to free WiFi and there are ample electrical outlets throughout the lobby to power digital devices. The enlarged business library features several complimentary computer terminals along with a free printer and separate computer stations dedicated to printing airline boarding passes and checking flight status.

Dining has been completely redesigned with The Bistro – Eat. Drink. Connect.; offering casual, flexible seating; easier access to food and higher quality, healthier menu options for breakfast; and light evening fare, including snacks, wine and beer so guests can unwind. For guests who have forgotten something or are craving a late night snack, the [Memphis Airport Hotel's](#) new Market[™] offers a 24/7 shop for snacks, beverages and sundries.

Green has been Courtyard's signature color since Marriott launched the brand 25 years ago. Now it is even greener with the introduction of a guest recycling program for the environment. Receptacles for paper, glass, plastic and metal will be conveniently located by side exits.

Courtyard by Marriott offers a refreshing environment that helps guests stay connected, productive and balanced. Intuitive services and design accommodate guests' needs for choice and control. With more than 860 locations in 30 countries, Courtyard is Marriott's largest brand. All Courtyard by Marriott hotels participate in the award-winning Marriott Rewards frequent travel program that allows members to earn hotel points or airline miles for every dollar spent during each stay.
