

Nick DiDia

Monday 2 July 2012

We are pleased to announce the addition of Producer/Engineer/Mixer Nick DiDia to the team at our Byron Bay studios. Since moving to Los Angeles in 1991, then to Atlanta in 1996, he has engineered multiple albums for **Bruce Springsteen, Pearl Jam, Rage Against The Machine, Stone Temple Pilots, Train, and Incubus**, to name a few.

Along the way he also produced, engineered, and mixed albums for **Powderfinger, The Living End, Brad, Nine Days, Trial Kennedy, Katie Noonan, Rose Hill Drive** and others, which collectively have resulted in over 35 million record sales worldwide and multiple Grammy, ARIA and Dove awards and nominations. His latest work includes new records by **The Gaslight Anthem, Walk The Moon, Third Day and Holland** and his arrival to Australia is sure to spawn a fierce new edge to both up and coming and established bands.
