iPad video lessons has finally been released and updated by iPad Pete. After much anticipation and the release of his first version of iPad Video Lessons, iPad Pete has released his new iPad lessons course with video updates and new bonuses.

After a quick iPad Video Lessons review, MayDayReport.com believes this program is a tool that can make learning to use an iPad way easier and much more fun. Early users of iPad Pete's iPad lessons are already learning to use their iPads more efficiently with his tips and tricks.

"Well I have to admit, I didn't buy your iPad lessons thinking that I'd learn much, but boy was I wrong. I bought your course on a whim, and I was very half hearted when I started watching the videos. Imagine how surprised I was after I went back to my iPad and realized how many useful things I had picked up. Thanks" says Jason Kiln.

In just 11 minutes a day iPad Pete shows people how to quickly and easily gain an understand of the iPad including untapped features.

Who is the iPad Video Lessons for?

Honestly iPad Pete's iPad Video Lessons are for anyone that is looking to learn how to use an iPad. iPad Pete is a self-proclaimed super geek who has been obsessed with iPads since they first came out.

What is all covered in the iPad Video Lessons program?

First off there are over 100 videos in the iPad Video Lessons so it is impossible to list them all here. However, the main course modules include:

Module 1 – All About the iPad
Module 2 – Web Tips and Tricks
Module 3 – More About Mail
Module 4 – Reading on a iPad
Module 5 – App Fun & Productivity
Module 6 – Listen to Music & Podcasts
Module 7 – Organize Photos
Module 8 – Watch Video on iPad
Module 9 – Exploring Maps

Not only do people get these 9 core iPad lessons modules, but they also get access to new updates and bonuses including iOS5 training, iCloud training, using notifications, iPad magazines, beginner's bootcamp, plus lifetime updates.

For those who wish to buy the program should visit the official iPad video lessons site here. On the site one can access the program plus take advantage of the generous offer made there by iPad Pete.

iPad Pete has only made a limited number of program licenses available so that he and his team can provide those who invest in the program the best level of service.
