### HOTEL NEAR LAS VEGAS CONVENTION CENTER FRESHENS UP FOR SUMMER WITH NEW DÉCOR

*The Las Vegas Marriott welcomes summer travelers with a refreshed lobby, restaurant and pool area.*

Las Vegas, NV – Few things beat the summer heat like enjoying leisure time in and around a cool, inviting swimming pool. For those visiting Las Vegas in summertime, a nice hotel pool is virtually a prerequisite. Fortunately for guests staying at the Las Vegas Marriott, a long-popular [hotel near the Las Vegas Strip](#), this prerequisite just got nicer and more inviting, along with several other areas of the property.

The Las Vegas Marriott invites travelers to experience a refreshed restaurant, bar, lobby, library and pool area. Designed to provide the perfect environment to relax, socialize and take a break, these updated areas turn this [hotel near the Las Vegas Convention Center](#) into an oasis.

The Marriott Las Vegas, Nevada Hotel invested over \$800,000 dollars into renovating its public spaces, including its restaurant and bar. The lobby area is the perfect place to cool off after walking the Las Vegas Strip. The lobby also features a new modern décor that offers grand lighting fixtures, adding personality to the space.

Communal tables allow guests to set up computers, check travel plans, read a book or socialize with one another. Designed to connect, improve productivity and relax, these tables are located in the refreshed lobby Great Room. After a meeting at the nearby Las Vegas Convention Center, groups can recap the event or have a casual meeting. And with complimentary Wi-Fi in the lobby and communal spaces, travelers can easily share their experiences with the home office, family and friends via email.

At the hotel's Café 325 Restaurant and Lounge, spaces for dining and socializing, as well as enjoying beverages at the bar, have been refurnished and made over to provide a more inviting atmosphere where guests will enjoy spending time. For this [hotel near the Las Vegas Convention Center](#), thought was given to making the space an attractive location for casual meetings, allowing associates who need a retreat from the busy LVCC to congregate nearby and enjoy a delicious meal and/or drink while they confer.

Travelers who book a stay at this hotel near the Las Vegas Strip can experience all the renovations first hand. Just minutes from popular Las Vegas Strip attractions and the Las Vegas Convention Center, the Las Vegas Marriott Hotel is an ideal choice for business and leisure travelers alike.

About the Las Vegas Marriott Hotel

Located on Convention Center Drive, adjacent to the Las Vegas Convention Center and two blocks from the Las Vegas Strip, the stylish Las Vegas Marriott provides a sophisticated alternative to Las Vegas Strip hotels. Not a single guestroom detail is overlooked, as 278 spacious rooms include separate living and sleeping areas, 42-inch HD TV's and executive work stations with wireless access

for a fee. Complimentary wireless access available in all public spaces. Convenient extras include small refrigerators and double sofa beds, making group travel easy and comfortable. Platinum/Gold Marriott Rewards members receive a free breakfast buffet at this Las Vegas Convention Center hotel's restaurant, café325. The pristine outdoor pool is heated, with fresh towels provided. Those who wish to maintain fitness routines while traveling can also take advantage of the Las Vegas Marriott's on-site fitness center, featuring a variety of modern cardiovascular equipment and free weights.
