

**Nick Dussuyer**  
**Partner, Head of UK for Natural Resources and Business Strategy & Transformation**

Nick Dussuyer is a Partner and the Head of UK Natural Resources and Business Strategy & Transformation for BearingPoint, a partner-owned firm with European roots and Global reach providing business consulting services to Global 2000 companies and government organisations. Appointed to this position in July 2012, he has over 12 years of experience in the consulting industry.

Mr. Dussuyer is responsible for BearingPoint's firm-wide leadership of the BP account. He also founded and has led the UK Business Strategy & Transformation team since 2007. In this position, he has assisted CEOs and senior executives in designing and rapidly deploying high impact strategies that create tangible results and develop effective organisations.

Before moving to the UK in 2006, Mr. Dussuyer was a key member of BearingPoint's Business Strategy & Transformation practice first in Australia then France supporting clients in multiple industry sectors delivering business and growth Strategies, enterprise-wide transformation programmes, operational excellence, and mergers & acquisitions.

On a firm-wide level, Mr. Dussuyer leads the Business Strategy capability and the Growth Value Proposition offering. Mr. Dussuyer was nominated for the UK Management Consulting Association (MCA) Change Management consultant of the year (November 2008).

Prior to joining BearingPoint, Mr Dussuyer has had extensive experience working for various Australian Senators, both in Melbourne and in Canberra. He holds a Bachelor of Arts (Political Science major) and Bachelor of Commerce (Honours) degree (Business Strategy specialisation) from the University of Melbourne.

Nick is a dual French-Australian citizen (native speaker in French and English) and has extensive experience working with other cultures and other countries including: Europe (France, UK, Germany, Spain, Austria, Switzerland, Sweden, Denmark, Netherlands), South Africa, the United States and Australia.

BearingPoint is a business with €500M in revenue and 3,250 employees. The firm has a 110-year heritage as a trusted business advisor that helps clients solve their most pressing challenges.
