Well Dan Brock is back with a new product called Viral Traffic Optimizer 2.0 and as the name of the product says it is about getting more viral traffic.

After a quick Viral Traffic Optimizer review, MayDayReport.com.com believes this software is a tool that can get any website owner more traffic. Early users of the Viral Traffic Optimizer plugin are already getting great results.

What is is Viral Traffic Optimizer 2.0?

Basically Viral Traffic Optimizer is a plugin for wordpress. Dan Brock has created it so that it works on all major platforms. Just some of the other platforms it works on are Blogger and Joomla. That means that more people will be able to use the software to get more traffic.

What does Viral Traffic Optimizer do?

The plugin becomes a traffic hub for website owners. The plugin actually includes the needed plugins to increase site conversions and the viral traffic everyone so desires.

Included in the plugin are all of these features:

1. Sidebar Machine, which is a floating share it feature.
2. In-content Machine enables all the sharing options one wants within the content of the website.
3. Header Toolbar
4. Bubble Widget
5. Footer Widget
6. Timed Pop-down Widget
7. Exit pop-up Machine
8. Bottom Sidebar Machine
9. and a few other cool things

Overall this plugin offers a ton of value and gets the highest recommendation.
