

Turquoise Jewelry Styles Added to SilverTribe's Massive Collection

Turquoise jewelry: the leading online retailer of turquoise jewelry is adding hot to styles to the summer lineup every day at SilverTribe.com.

Southwest jewelry is a sizzling summer trend this season and the online leader in Native American jewelry is expanding its entire line of turquoise jewelry.

SilverTribe's turquoise jewelry is made using the highest-grade stones available. Shoppers have access to a huge variety of stones from mines all over the Southwest and beyond.

"We're excited to announce we've added some really beautiful pieces to our already impressive selection of turquoise jewelry," said SilverTribe's Spokesman Chris Anderson. "Whether you're looking for an elegant turquoise necklace or the perfect summer ring, we have the right selection to fit any style or budget."

SilverTribe's turquoise jewelry collection includes edgy, artistic styles as well as a huge selection of timeless Southwestern jewelry for those who appreciate traditional Native American designs. Each tribe offers its own distinctive style , from beautiful Zuni inlays to the wonderful silver work involved in Navajo jewelry making.

"With turquoise, the mix and match potential is unlimited," Anderson said. "Not only does this stone go well with anything, the cool blue color will put out that mellow, laid back summer vibe."

SilverTribe is always discounting prices on the most popular styles and trends to ensure customers can always find the right item at a great price. The popular retailer also offers exclusive promotions and discounts to Preferred Members, who can enroll by simply entering an email on SilverTribe's homepage.

SilverTribe is dedicated to working with the most talented artists in the industry to bring the best styles to customers and constantly increase the selection. Whether shoppers are looking for beautiful and intricate Southwest jewelry or a new piece of fine turquoise jewelry, customers will always find what they are looking for.
