Are you saving money on your prescriptions yet?

The Coast2Coast Rx Card is a **FREE** discount program helping consumers save money on prescription drugs and certain healthcare services.

The Coast2Coast Rx Card has saved consumers \$30 million in California counties since 2008. It is the only prescription discount program **vett***ed and endorsed by the California State Association of Counties and Boards of Supervisors in 25 counties — and counting— across California.* And for each prescription filled using the card, Coast2Coast contributes a royalty of \$1.25, at no additional cost, to the participating county to help fund public projects, **setting this prescription discount plan apart from the rest.**

- **Everyone qualifies**—no health, age or income restrictions .
- **No membership paperwork is required**—one card can be used for an entire family; it is ready to use and can be printed from any computer.
- **There is no expiration date**—can be used as often as needed.
- **Significant Savings**—save up to 75% on over 60,000 medications — both brand names and generic versions.
- **Thousands of participating pharmacies**—more than 59,000+ pharmacies accept the Coast2Coast Rx card, including all major chains and many independent pharmacies.
- **Savings on Additional Healthcare Services**—cardholders can also save on certain Dental, Vision, Veterinary, Hearing, and Lab and Imaging Services, Diabetes Supplies and even some pet prescriptions.

National average savings was 55% in 2011 & over 60% in 2012.

For California Counties

Coast2Coast Rx handles all of the administration, marketing and distribution of the card and no county personnel time involved.
