

Coast2Coast **Rx** Card

Are you saving money on your prescriptions yet?

The Coast2Coast Rx Card is a **FREE** discount program helping consumers save money on prescription drugs and certain healthcare services. Consumers nationwide are benefitting from the significant savings they receive on their prescription and healthcare needs!

The Coast2Coast Rx Card is **CONVENIENT** and **EASY** for anyone to use:

- **Everyone qualifies**—there are no health, age or income restrictions or requirements.
- **No membership paperwork is required**—the card is ready to use and getting started is as simple as printing it from any computer, or contact the Alarus Agency at 619.235.4542 to order cards for your organization.
- **There is no expiration date**—the card can be used as often as needed.
- **Significant Savings**—save up to 75% on over 60,000 of the most commonly prescribed medications — both brand names and generic versions. The national average savings is 55%.
- **Thousands of participating pharmacies**—more than 59,000+ pharmacies accept the Coast2Coast Rx card, including all major chains and many independent pharmacies.
- **Savings on Additional Healthcare Services**— cardholders can also save on certain Dental, Vision, Veterinary, Hearing, and Lab and Imaging Services, Diabetes Supplies and even some pet prescriptions.

Not only is the Coast2Coast Rx Card ***vetted and endorsed by the local governments of 200 municipalities nationwide***; but for each prescription filled using the card, a portion of money is given back to the community to help fund public projects, ***setting this prescription discount plan apart from the rest.***

Don't delay, start saving with the Coast2Coast Rx Card today!
