2012 PRICE BOOK

amerec®

your moment

ENJOY THE AFFORDABLE, HEALTHY BENEFITS OF STEAM BATHING

– Steam is an easy and affordable addition to almost any shower.
– Steam bathing consumes very small amounts of water -
  less than 2 gallons during a 30 minute steam bath.
– Health benefits of steam bathing.

* Relieves Stress
* Relaxes Muscles
* Soothes Aches and Pains
* Flushes Toxins from the Body
* Cleanses Skin
* Induces a Deeper, More Relaxed Sleep
* Relieves Nasal, Sinus and Chest Congestion
* Fights Illness
* Feels Good

Table of Contents

AMEREC AT SERIES STEAM BATH GENERATORS
CREATING THE ULTIMATE STEAM BATHING EXPERIENCE

Performance Features of Amerec AT Series Generators

"Soft Steam" element switching maintains a consistent and comfortable steam bath environment. The AT generator uses the full power of both elements to heat up the steam room to the preset temperature, then cuts power to half its elements, resulting in a more consistent flow of soft steam and more stable room temperature. Minimal temperature variation and an even flow of steam are the two most important features of a perfect steam bath.

Shown with ADT Auto Drain

Quality engineering and reliability. The small physical size of Amerec generators offers efficient installation. Stainless steel tank and water level probes provide years of trouble-free operation, while the included ADT automatic drain system promotes longer generator life. All Amerec generators have removable heating elements for easy and economical service.

The AT Series steam generator package includes the innovative T100 Touch control and the ADT automatic drain kit. Simply select the appropriate kW size generator for the shower space and add the ComfortFlo™ steam head(s) in the finish of your choice.

Recommended Generator Sizing Guide

Step 1.   Calculate the cubic footage of the steam room enclosure. Length x Width x Height = Cubic Feet
(Do not deduct for benches or other intrusions as they represent surface area to heat.)
(Maximum recommended ceiling height is 8 feet.)

L _____ x W _____ x H _____ = _____

Step 2.   Add the following adjustments to the cubic footage calculated in step 1 to account for your specific room design features.

A. Acrylic or Cultured Marble.   Cubic Footage x 0% _____

B. Ceramic Tile.   Cubic Footage x 20% _____

C. For each glass or glass block wall, or exterior wall exposed to freezing.   Cubic Footage x 15% _____

D. Natural Stones (Marble, Granite, Travertine, Slate or Porcelain Tile).   Cubic Footage x 100% _____

Total (1 + 2A + 2B + 2C + 2D) _____

AT TOUCH CONTROL SERIES

1-PHASE GENERATORS

AT Touch Control Series generator package features the T100 Touch control and includes the ADT auto drain kit.

T100 Touch Control Features:
- Touch screen operation for easy control of temperature and time settings.
- Large screen displays steam bath temperature and time of day.
- Displays temperature in Fahrenheit or Celsius.
- Sleep mode with integral sensor to activate screen when approached.
- Delayed start feature to pre-heat steam room at selected time.
- Multiple language settings including English and Spanish.
- Remote-mounted sensor allows control to be located inside or outside room.
- Flush-mount, low-profile installation.
- Installed dimensions 6 3/8" H x 4" W.

Required ComfortFlo™ steam head to be ordered separately. Please specify finish.

ComfortFlo™ Steam Head w/ Insulator

Model	Finish	Item No.	List Price
CFSH-CP	Polished Chrome	8812-31	$ 130

	10.5	450	208	1*	18.1/39.9	25/50		

* Single phase AT12 & AT14 generators require two (2) separate line circuits and two (2) steam heads for each generator.
Shipping dimensions for AT generator boxes are 23" L x 20.5" W x 7.5" L.
Actual generator dimensions vary by kW size. Refer to rough-in sheet for actual dimensions.
Estimated shipping weight for all AT single generators is 30 lbs. or 14 kgs.

Multiple Unit 240V 1 Phase Generator, Control & Drain Package for Large Steam Rooms

Model	kW	Max. Cubic Footage	Electrical Specifications	Generator Package Item No.	List Price
AT17	17	725	Please call for electrical specifications	9025-1001	$ 4,250
AT20	20	900		9025-2001	$ 4,620
AT30	30	1,350	**1-800-331-0349**	9025-5001	$ 5,990

AT17 and AT20 include two (2) generators connected to function as one system with one (1) control.
AT30 includes three (3) generators connected to function as one system with one (1) control.
Multiple unit ganged systems require one (1) steam head for each generator. Steam heads must be ordered separately.
Multiple unit ganged systems require one (1) ADT drain valve for each generator. Drain valves are included with the package.

AT TOUCH CONTROL SERIES

3-PHASE GENERATORS

Single Unit 208V 3 Phase Generator, Control & Drain Package

Model	kW	Max Cubic Footage	Volts	Phase	Amps	Breaker	Item No.	List Price
3T8	8	280	208	3	21.9	30	9015-5201	$ 3,220
3T10	10	400	208	3	28.1	40	9015-6201	$ 3,360
* 3T12	12	500	208	3	31.3	40	9015-7201	$ 3,700
* 3T14	14	600	208	3	38.7	50	9015-8201	$ 4,070

The header spans: Max Cubic Footage | Volts | Electrical Specifications (Phase, Amps) | Breaker | Standard Generator (Item No., List Price)

* Two (2) steam heads are recommended for 3T12 and 3T14 generators.

Shipping dimensions for AT generator boxes are 23"L x 20.5" W x 7.5" H. Refer to rough-in sheet for actual dimensions.

Estimated shipping weight for all AT single unit generators is 30 lbs. or 14 kgs.

Multiple Unit 208V 3 Phase Generator, Control & Drain Package for Large Steam Rooms

Model	kW	Max. Cubic Footage	Electrical Specifications	Item No.	List Price
3T20	20	800	Please call for electrical specifications.	9025-2201	$ 5,540
3T24	24	1,000		9025-3201	$ 5,710
3T28	28	1,200		9025-4201	$ 5,850
3T36	36	1,500	1-800-331-0349	9025-6201	$ 8,100

3T20, 3T24 and 3T28 include two (2) generators connected to function as one system with one (1) control.

3T36 includes three (3) generators connected to function as one system with one (1) control.

Multiple unit ganged systems require one (1) steam head for each generator. Steam heads must be ordered separately.

Multiple unit ganged systems require one (1) drain valve kit for each generator. Drain valve kits are included with the package.

Optional Accessories for AT & 3T Generator Packages

Fragrance Injector Pump Kit
Delivers essence oils directly into the steam line.
Pump kit includes on/off control, one (1) 16 oz. bottle of Eucalyptus oil and wall-mounted caddy.

Model		Item No.	List Price
A220FP		9223-227	$ 760

Chromatherapy Light Kit
Kit includes one lamp, housing, transformer and color selection control.
Additional lamp kits ordered separately. Maximum of seven (7) lamps per installation.
On / Off switch supplied by others. Not for use as a primary light source.

Model		Item No.	List Price
A210LK	Light Kit	9223-212	$ 610
FC210L-L1	Single Lamp Kit	9223-110	$ 190

Stainless Steel Generator Drip Pan
Order one per generator.
Dimensions: 26" x 8" x 2"

Model		Item No.	List Price
ADP	Steam Generator Drip Pan	9210-110	$ 115

Steam Shower Sound System
The Steam Shower Sound System offers superior sound quality for your personal steam shower.
Waterproof FM radio with iPod interface, pre-amp outlet and RF 2-way remote control.
Waterproof flush-mount, 2-way speakers with powder coated stainless steel grilles.
● Peak Power: 140 watts per pair.
● Easy mounting system and grilles cover mounting screws for a clean appearance.
● Dock Dimension: 8 11/16" x 8 11/16" x 2 15/16". Cutout Dimension: 7 3/8" x 7 3/8".

Model		Item No.	List Price
SOUND SYSTEM	Sound System with speakers	9252-064	$ 1,150
SPEAKERS	Waterproof Speakers, 1 Pair	9252-030	$ 450

AK/3K SERIES STEAM BATH GENERATORS
CREATING THE ULTIMATE STEAM BATHING EXPERIENCE

Performance Features of Amerec AK Series Generators

"Soft Steam" element switching maintains a consistent and comfortable steam bath environment. The AK generator uses the full power of both elements to heat up the steam room to the preset temperature, then cuts power to half its elements, resulting in a more consistent flow of soft steam and more stable room temperature. Minimal temperature variation and an even flow of steam are the two most important features of a perfect steam bath.

Shown with optional ADK Auto Drain
and ADP Drip Pan

Quality engineering and reliability. The small physical size of Amerec generators offers efficient installation. Stainless steel tank and water level probes provide years of trouble-free operation, while standard manual drains or optional ADK automatic drain systems promote longer generator life. All Amerec generators have removable heating elements for easy and economical service.

"Warm Start" instant steam option is a unique feature that keeps water in the generator tank pre-heated so steam output begins in less than 60 seconds after the main control is turned on. The "Warm Start" feature can be turned on and off to conserve electricity usage whenever the steam bath won't be used for extended periods of time.

Recommended Generator Sizing Guide

Step 1.   Calculate the cubic footage of the steam room enclosure. Length x Width x Height = Cubic Feet
           (Do not deduct for benches or other intrusions as they represent surface area to heat.)
           (Maximum recommended ceiling height is 8 feet.)

<div align="center">L _____ x W _____ x H _____ = _____</div>

Step 2.   Add the following adjustments to the cubic footage calculated in step 1 to account for your
           specific room design features.

A. Acrylic or Cultured Marble.	Cubic Footage x 0% _____
B. Ceramic Tile.	Cubic Footage x 20% _____
C. For each glass or glass block wall or exterior wall exposed to freezing.	Cubic Footage x 15% _____
D. Natural Stones (Marble, Granite, Travertine, Slate or Porcelain Tile).	Cubic Footage x 100% _____
	Total (1 + 2A + 2B + 2C + 2D) _____

STEAM BATH CONTROLS
FOR AK AND 3K SERIES GENERATORS

K200i Freedom Control

- RF Wireless control provides user convenience up to 50' from generator location.
- Eliminates need to bury control cables inside walls or drill holes in wall surfaces.
- Large color display offers quick and easy adjustment of steam bath settings.
- Freedom Control can be used to activate Warm Start feature.
- Control kit includes wall mounted dock with integral temperature sensor and on/off button, RF communication hub and separate 120V charger base.

Steam head(s) must be ordered separately.

Model	Color	Item No.	List Price
K200i Freedom Control Kit	White	9221-018	$ 1,320
K200i Freedom Control Kit	Biscuit	9221-010	$ 1,320

K200i Freedom Control Options (Select one, two or all three options.)

Power Control Unit required when one or more options ordered.

Model	Item No.	List Price
FC200PCU Power Control Unit	9223-200	$ 270

- Colored Lighting for installation in the steam room ceiling.
- Includes one lamp, housing and transformer.
- Available only for use with K200i Freedom Control and requires FC200PCU.
- Not for use as a primary light source.

Model	Item No.	List Price
FC210L Chromatherapy Light Kit for K200i Freedom Control	9223-210	$ 440
FC210L-L1 Single Lamp Kit to add additional ceiling lights.	9223-110	$ 190

Maximum of seven (7) lamps per installation.

- Fragrance Injector Pump kit delivers essence oils directly into copper steam line.
- Pump kit includes one (1) 16 oz. bottle of 100% pure Eucalyptus oil.
- Available only for use with K200i Freedom Control and requires FC200PCU.

Model	Item No.	List Price
FC220P Fragrance Injector Pump for K200i Freedom Control	9223-220	$ 500

- EvenSteam™ Air Circulation Fan kit circulates air in steam rooms with ceiling heights greater than 8' to reduce temperature variations from ceiling to floor.
- Available only for use with K200i Freedom Control and requires FC200PCU.

Model	Item No.	List Price
FC230F EvenSteam™ Air Circulation Fan Kit (Vent grilles and ducting not included.)	9223-230	$ 535

STEAM BATH CONTROLS
FOR AK AND 3K SERIES GENERATORS

KT60 Digital Control with Built-In Temperature Sensor

- KT60 3-button digital control with on/off, temperature and time duration setting.
- Display alternates between ambient room temperature and time remaining.
- Features integral temperature sensor and must be mounted inside steam room.
- Control kit includes KT60 control, cable and ComfortFlo steam head.

Model	Finish	Item No.	List Price
KT60-CP	Polished Chrome	9111-101	$ 630
KT60-PB	Polished Brass	9111-102	$ 690

R30K-ORB	Oil Rubbed Bronze	9141-107	$ 260

STEAM BATH CONTROLS

FOR AK AND 3K SERIES GENERATORS

DKT60/K60 Dual Digital Control with Built-In Temperature Sensor

- DKT60/K60 dual 3-button digital controls display temperature and time.
- Adjustable time duration up to 60 minutes and temperature up to 125¡ F.
- Both controls alternately display room temperature and time remaining.
- KT60 features integral temperature sensor and mounts inside room.
- K60 control mounts outside room.
- Dual control kit includes two controls, cables and ComfortFlo steam head.

Model	Finish	Item No.	List Price
DKT60/K60-CP	Polished Chrome	9113-101	$ 1,160
DKT60/K60-PB	Polished Brass	9113-102	$ 1,260

AI SERIES COMMERCIAL STEAM BOILERS

Ideal for large steam rooms, the Amerec AI Series is designed for user enjoyment, ease of operation and long life. The AI boilers are engineered for easy on-site maintenance and hands-off, automated operation. Amerec engineering and technology incorporates several unique features, making the AI Series the ideal choice for large commercial steam rooms.

AI Series Boiler Features

- ASME H-Stamped Low-Pressure Vessel, National Board registered.
- UL Listed
- All steel construction with powder coat finish and stainless steel feet to prevent corrosion.
- Multiple safety features, including:
  - Sight Glass
  - Three-level water sensing system with low water cutoff
  - Control system per CSD-1.
- Room "over-temperature shut down" turns boiler elements off and blinks indicators to show alarm.
- Designed for easy serviceability.
  - Simple service access and control
  - Indicator lights with integral diagnostics
- One or two-room operation with each room controlled individually. Requires 2-room thermostatic control kit.
- CoolFlush™ Auto Drain Option performs recommended daily draining and flushing to reduce sludge and scale build up.
  - Anti-vacuum drain system reduces gurgling noises and slow draining.
  - Cools water in tank to 140° or less to prevent damage to plumbing drain system.
  - Drain clock allows system to start at desired time of day, whether the generator is on or off.
- Optional Low Water Cut-Off (LWCO) with manual reset prevents heating should the water level drop below safe levels.
- Optional 24-hour and 24-hour / 7-day integral run and drain clocks.
- Optional "Refresh" control provides short bursts of steam on demand with a simple push button inside the steam room.
  - Provides a 15 to 20 second burst of steam even if the room is at set temperature and not calling for steam.

CONTROLS AND OPTIONS

Model	Description	Item No.	List Price
One of the following thermostatic control kits is required for all AI Series boilers.			
T100B-1	T100 Touch control kit for 1 room installation. For use with all models. Includes Touch screen control, sensor, cables and 2 ea. 3/4" Chrome steam heads.	9150-103	$ 1,150
T100B-2	T100 Touch control kit for 2 room installation. 12-24kW models.	9150-104	$ 2,350
	T100 Touch control kit for 2 room installation. 30-48kW models Includes 2 Touch controls, 2 sensors, cables, 1 steam solenoid valve assembly and 4 ea. 3/4" Chrome steam heads.	9150-106	$ 2,350
IT1	Thermostat for 1 room installation. For use with all models. Includes thermostat control, sensor, cables and 2 ea. 3/4" Chrome steam heads.	9226-30	$ 290
IT1-M	Boiler mounted thermostat for 1 room installation. For use on all models. Includes thermostat control, sensor, cables and 2 ea. 3/4" Chrome steam heads.	9226-301	$ 330
IT2	Thermostat for 2 room installation. 12-24kW 208V, 240V & 480V models.	9226-20	$ 1,020
IT2	Thermostat for 2 room installation. 12-24kW 415V Export models.	9226-21	$ 1,020
IT2	Thermostat for 2 room installation. 30-48kW 208V, 240V & 480V models.	9226-22	$ 1,020
IT2	Thermostat for 2 room installation. 30-48kW 415V Export models. Includes 2 IT1 thermostat controls, 2 sensors, cables, 1 steam solenoid valve assembly and 4 ea. 3/4" Chrome steam heads.	9226-23	$ 1,020
IT2-M	Boiler mounted thermostat for 2 room installation. 12-24kW 208V, 240V & 480V.	9226-201	$ 1,090
IT2-M	Boiler mounted thermostat for 2 room installation. 12-24kW 415V Export.	9226-211	$ 1,090
IT2-M	Boiler mounted thermostat for 2 room installation. 30-48kW 208V, 240V & 480V.	9226-221	$ 1,090
IT2-M	Boiler mounted thermostat for 2 room installation. 30-48kW 415V Export. Includes 2 IT1 thermostat controls, 2 sensors, cables, 1 steam solenoid valve assembly and 4 ea. 3/4" Chrome steam heads.	9226-231	$ 1,090
Optional controls and accessories for AI Series boilers.			
ADI	CoolFlush™ auto drain and flush system.	9210-118	$ 820
ADI	CoolFlush™ auto drain and flush system. 230V for Export.	9210-119	$ 820
ADI-D	CoolFlush™ auto drain and flush system with Digital Run Clock.	9210-116	$ 880
ADI-D	CoolFlush™ auto drain and flush system with Digital Run Clock. 230V for Export	9210-117	$ 880
IDS	In room "Refresh" control for a quick burst of steam on demand.	9226-05	$ 240
I60	60 minute timer to control steam flow in steam rooms with intermittent use.	9226-10	$ 170
I24/7	7 Day Time Clock with 2 hour on/off segments. 120V.	9226-15	$ 120
I24/1	24 Hour Time Clock with 30 minute on/off segments. 120V.	9226-16	$ 120
I24/7	7 Day Time Clock with 2 hour on/off segments. 230V / 50Hz for Export	9226-17	$ 120
I24/1	24 Hour Time Clock with 30 minute on/off segments. 230V / 50Hz for Export	9226-18	$ 120
D24/7	24 Hour 7 Day Digital Time Clock with Battery Back Up. 120V	9226-19	$ 180
D24/7	24 Hour 7 Day Digital Time Clock with Battery Back Up. 230V for Export	9226-191	$ 180
LWCO	Low Water Cut-Off with Manual Reset (Required by code in some states.)	8814-50	$ 760
AI-Outlet	3/4" Polished Chrome steam head for use with AI Series boilers.	8814-01	$ 100
DIFFUSER	Acrylic Steam Diffuser - Opaque	8034-02	$ 125
ASX100	Single Cartridge Scale-X Filter System	9209-010	$ 325
ASX100-RFK	ASX100 Filter Replacement Kit	9209-041	$ 140
ASX200	Dual Cartridge Scale-X Filter System	9209-020	$ 715
ASX200-RFK	ASX200 Filter Replacement Kit	9209-051	$ 245

COMMERICAL STEAM ROOMS

Elysee and Excellent modular acrylic steam rooms are made of high-tech, vacuum-formed special grade white acrylic for a rigid, steam-tight construction. Supplied in ready-to-assemble roof and wall sections with comfortable seating. The door is made from tinted, tempered safety glass in a sturdy frame with handles of anodized aluminum. These luxurious steam rooms are a perfect complement to public bathing facilities in hotels, spas, fitness centers and gyms.

Elysee Modular Acrylic Steam Rooms

- Constructed of white, high-gloss, easy-to-clean panels that provide a bright bathing environment.
- Extra wide 35-1/2" tinted safety glass door with flat sill (no raised threshold) and anodized aluminum handles.
- Integral recessed LED light installs above each seat section to provide subdued lighting.
- Smoked, tempered safety glass front wall in a frame of anodized aluminum.
- Exterior surface and floor not provided.

Model	Description	Cu Ft	Exterior Dimensions	Item No.	List Price
EL-4F-GF	Elysee 4-Person Steam Room	220	83.5" x 52.75" x 81.5"	9710-030	$ 8,300

Custom Infrared Systems

Amerec Far-Infrared saunas provide soothing heat directly radiated to the body with very little pre-heating time required. The three most cited reasons for Infrared sauna bathing are detoxification, relieve aches & pains and relaxation.

Includes: SaunaLogic control, contactor box and IR panel kit (quantity of panels matched to room size).
Please Note: SaunaLogic control is only compatible with Spectra light kit #3162-146. See page 19 for pricing.

Prices shown below DO NOT include sauna room wood packages. Rooms are priced separately.

TERMS AND CONDITIONS

Prices: Prices in the current price book are subject to change without notice and supersede all previous price books, lists and quotations. All orders accepted are subject to prices in effect on the date the order is received. Possession of this book should not be construed as an offer to sell the products herein at the prices stated. Price does not include installation, freight or taxes. All prices are shown in U.S. dollars.

Order Acceptance: Acceptance of any order is subject to the terms and conditions appearing herein. No other terms and conditions, contained in the Buyer's purchase order, shipping release or elsewhere inconsistent or in difference to the terms and conditions herein shall be binding upon Amerec unless specifically agreed to in writing by Amerec.

Credit Policy: The acceptance of any order is subject to credit investigation and approval by Amerec's credit department. Delivery may be withheld on accepted orders, without any liability on the part of Amerec, if, in its opinion, the Buyer's ability to pay for the products on these terms and conditions is in doubt. Any remittance received from, or for the account of the Buyer, may be accepted or applied by Amerec against any indebtedness, regardless of any condition, provision or notation appearing on such remittance. If Amerec brings legal action to collect amounts due and owing by Buyer, Buyer agrees to pay for all attorneys' fees and cost incurred by Amerec in such action.

Late Payment / Service Fees: Interest rate of 1 1/2% per month will be charged from the date an account becomes past due. In addition to late payment charges, Buyer agrees to pay any and all collection costs, including reasonable attorney fees incurred by Amerec in collecting balances not paid within terms.

Taxes: Prices are exclusive of any taxes. Buyer agrees to pay any applicable taxes, duty surcharges, fees or similar charges however imposed. A current resale tax exempt certificate must be filed with Amerec, or applicable taxes shall be added to the price and terms contained.

Freight Policies: All shipments are F.O.B. factory or distribution center and policies apply to all shipments within the continental United States, excluding Alaska, Puerto Rico, Hawaii and export. Amerec reserves the right to choose transportation carriers and shipping location based on lowest rate medium of transfer. Buyer may request specific carrier on orders shipping freight collect.

Partial Shipment: Unless otherwise specified, Amerec may make partial shipments and each shipment shall be deemed a separate sale. Buyer shall accept and pay for shipment regardless of any prior or subsequent failure to deliver any other shipment.

Order Changes: Only when Amerec's Customer Service Department receives a written request via fax or email will any changes, cancellations, deletions or additions to orders be initiated. If an order has reached the shipping department, no changes can be made.

Shipping Weights & Dimensions: Approximate shipping weights and dimensions are shown for Buyer's convenience and are not guaranteed.

Shortage or Variance: Any shortages or variances from the packing list must be noted on the original bill of lading. For proper claim procedure to follow, Buyer should fax the bill of lading copy immediately to the Amerec Customer Service Department. No claims will be considered unless received within five (5) days of delivery.

Damage in Transit: Amerec is responsible for delivering product free of damage to freight carriers. Buyer should carefully inspect upon delivery to insure product is damage free. Any damages should be noted on the original bill of lading. The Buyer must contact the carrier to file a damage claim within ten (10) days of receipt. It is recommended the Buyer hold any damaged packaging until carrier's representative responds to Buyer's claim.

Return Goods: Approved written authorization is required from Amerec's Customer Service Department to return any products. All products returned without approved written authorization will be refused. Products authorized for return must be returned in their original packaging and in otherwise salable condition. A 15% restocking charge will be applied, along with any additional costs necessary to bring the product to salable condition. All credits will be issued in the form of a merchandise credit. Products that are damaged or not in otherwise salable condition, special order, parts of an inventory adjustment, phased out or discontinued items are not eligible for return or credit. Buyer is responsbile for inbound and outbound freight and any freight damage.

Warranty: All Amerec products are covered by Amerec's Limited 5 Year Warranty unless otherwise noted.

Limitation of Liability: Amerec's liability for any and all claims of any kind, including negligence, for any loss or damage arising out of , connected with or resulting from Amerec's performance or breach of the terms hereof shall, in the aggregate, not exceed the purchase price of the particular product. In no event shall Amerec be liable for indirect, special, incidental or consequential damages resulting from or arising out of performance of or failure to perform its obligations hereunder, whether or not Amerec had been advised of, knew, or should have known of the possibility of such damages.

Severability: If any portion or provision of these terms applicable to any situation or circumstance is held invalid, the remainder of these terms or the remainder of such provision (as the case may be) and the application thereof to other situations or circumstances, shall not be affected thereby.

Waiver: Waiver by Amerec of any breach of these provisions shall not be construed as a waiver of any other breach.

Assignment: None of the Buyer's rights under these terms shall be assigned or otherwise transferred by the Buyer to any other person, whether by operation of law or otherwise, without Amerec's prior written approval.

Entirety of Agreement: These terms are intended as a complete and exclusive statement of the terms and conditions of this agreement. No other terms and conditions, whether contained in Buyer's purchase order, shipping release or elsewhere that are inconsistent with, additional to, or different from the terms and conditions herein shall be binding upon Amerec unless specifically agreed to by Amerec in writing.

Assent: Receipt by Buyer or acceptance of the order or receipt of the products without prompt objection to the terms and conditions herein set forth, constitutes acceptance by Buyer of these terms and conditions.
