## **RESIDENCE INN HOTEL IN KENNESAW, GA UNVEILS INNOVATIVE RENOVATION**

***Total redesign of suites and public spaces allow extended stay guests to thrive on the road***

**Kennesaw, GA** – One of the most comfortable [hotels in Kennesaw, GA](#) has just finished new improvements to its spacious suites and public spaces.

The Residence Inn Atlanta Kennesaw/Town Center Hotel has undergone a complete renovation of its 120 suites and public spaces, transforming it into an upscale hotel. Designed to enhance the comfort and lifestyle of travelers on the road today, these renovations aim to position the property as one of the leading [Kennesaw hotels](#). The newly refreshed hotel offers guests flexible spaces and amenities to help maintain a healthy balance and routine while traveling.

“When on the road for an extended period, our guests need space to spread out, to maintain their life’s pace and restore their energy,” said Diane Mayer, vice president and global brand manager, Residence Inn. “Residence Inn offers a seamless blend of modern style and functionality that allows them to settle in and thrive.”

Nowhere is this mix of style and comfort more apparent than in each of Kennesaw hotel's spacious guest rooms. The residential-style studio, one bedroom and two bedroom suites offer accommodations that are larger than traditional hotel guestrooms. The layout provides separate zones where guests can relax, work, eat, and sleep, allowing guests to maintain their routines while away from home.

Guests who book a stay at this [hotel in Kennesaw, GA](#) can experience new amenities and comforts in each of the guest rooms. The updated kitchens outfitted with full-sized refrigerators and stainless steel appliances make living on the road easier. With a larger, expansive workspace, free high speed wireless Internet access, and a multitude of easily accessible outlets, guests are able to work efficiently throughout the suite. New sectional sofas, flat screen televisions and luxurious bathrooms with extra storage space make it possible for travelers to live

and rest comfortably. The hotel also improved the décor of each room and incorporated natural light and refreshing colors.

The new comfort continues beyond the guest rooms as this [Kennesaw hotel](#). The hotel's redesigned public spaces have been transformed into multi-functional living spaces where guests can relax or collaborate at their leisure. The new open communal living space allows guests to connect with friends, family or colleagues in a modern living room style lounge and in the outdoor open-air living room. Free Wi-Fi allows for a private/public work space outside of the suite.

Guests who wish to experience the new amenities and comforts should book a stay today at the Residence Inn Atlanta Kennesaw Hotel. For more information on guest rooms, special offers, and nearby attractions, visit [ResidenceInnTownCenter.com](http://ResidenceInnTownCenter.com)

### **About Residence Inn Hotels**

With more than 620 hotels in North America, Europe and South America, Residence Inn, a Marriott power brand credited with introducing the extended-stay lodging segment 37 years ago, offers guests lower rates for longer stays. With a free hot breakfast offered every day that features a variety of quality items and healthy alternatives, Residence Inn helps guests prepare for the day ahead and maintain a healthy balance while on the road. In addition to the robust free hot breakfast offering, other valuable amenities include grocery delivery service, 24-hour market, fully functional kitchens in each suite, fitness room and guest laundry room.

Residence Inn participates in the company's award-winning Marriott Rewards® program, which enables members to earn their choice of points toward free vacations or frequent flyer mileage in their preferred airline program for dollars spent at more than 3,200 Marriott hotels worldwide.
