HOTEL MAX

Dear Guest and VIP (Very Important Pet),

Welcome to the Hotel Max. To ensure the safety and comfort of you, our other hotel guests and our staff we ask that you review and follow a few pet guidelines during your stay.

Please keep your pet on a leash at all times when outside your guest room. Only certified service animals are allowed in the restaurant or bar. If you would like to dine together outside your room, you are welcome to do so in the lobby. We even have a pet menu!

Pets are not allowed on hotel furniture in the lobby or guest rooms. Please use a crate when your pet is unaccompanied in the guest room. Pets are only allowed in the hotel when they are with a registered guest.

Most importantly, please give the front desk your contact information if you plan on leaving your pet unattended in the room so we can reach you in case of an emergency.
