

Theo has followed his passion for creating the best musical products in history and produced the most advanced saxophone ever made.

Just like with his mouthpieces, Theo has married the beauty and best of the old with the precision of the new, resulting in a technologically and audibly superior saxophone.

Honey Lacquer (standard)	\$3,995
Vintified	\$4,395
Black Nickel	\$4,495
Silver Plate	\$4,595

"May our products help you access and express your deepest brilliance & inspiration. May your brilliance & inspiration, in turn, spread to the rest of the world!"

Blessings, Theo Wanne

INSPIRING A MUSIC REVOLUTION

NEW!

The MANTRA Tenor Saxophone

Seeing is awe inspiring.
Hearing is believing!

Join the Revolution!

The neck has total vibrational freedom. Nothing is soldered to the neck tube. Revolutionary!
