

My Spree Card

Give your employees the means to earn over £500 a year on top of their base salary.

With MySpree your employees can earn 5% cashback at a wide variety of high street retailers and 3% at leading supermarkets every time they shop. Our retail partners include:

The amount of cashback that can be earned is completely unlimited, meaning that the savings your employees can make on their everyday shopping can have a dramatic impact on how far their salary can be stretched.

Based on the typical spend of UK families this graph showcases the levels of cashback that can be earned if your employee's were to switch to using their MySpree card to pay for their daily expenses* :

Cashback Comparison

MySpree is an exclusive employee benefit that offers staff higher cashback rates than anything they could obtain on the high street, with no limitations.

MySpree offers you 5% cashback at major high street retailers and 3% at ASDA and Sainsbury's. Cashback earned is uncapped and the initial charge of £4.99 per card can be recouped within the first week's shopping.

Better cashback than you can get on the high street

MySpree offers better rates than any other card based benefit scheme...
