## MONROVIA DENTAL OFFICE WELCOMES THOSE IN NEED

Since 2011 we've provided  
**\$43,149.00** in FREE dental  
care to **224** friends and  
neighbors in Southern California!

On Friday August 3rd we want to  
"beat our best" and help 100  
people get the care they need and  
deserve!

If you or someone you know needs  
care, don't hold off any longer..

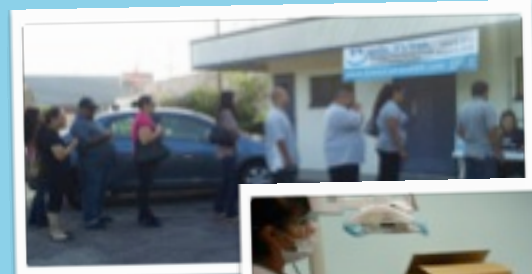

Come on down! We'd love to have  
you!

**Monrovia** – On August 3, 2012 Foothill Dental will host their second annual "Free Day of Dentistry" event to benefit those in need of dental care but are not able to afford it.

"We know it can be tough on families today to get basic dental care. Some may have lost their insurance, and others simply can't afford to pay out of their own pockets. That's why we wanted to be a part of this program," says owner Dr. Emily Letran.

Since Dr. Letran's first event in 2011, her offices have served 224 people from the surrounding community (that's over \$43,000 in free dental care). This August they're hoping to "beat their best" and help at least 100 people in need.

If you or someone you care about has been holding off on much needed dental care due to cost, please come down to Foothill Dental in Monrovia!
