5 Tips to Lose Stomach Fat is taking a new approach to burning fat and users are reporting great results. Now, a leading health and natural living website is publishing an in depth and comprehensive review.

Caleb Lee is the man behind 5 Tips to Lose Stomach Fat. The well-known fitness guru dove into research to learn what really helps people burn fat fasts and build a set of great looking six pack abs.

"Some of the things Caleb discovered are really surprising," Said AloeVera Editor Ben Danson. "A lot of people will learn secrets the big money dieting conglomerates don't want you to know."

5 Tips to Lose Stomach Fat exposes several longstanding dieting myths that never have, and never will actually help people lose weight, yet they are passed off in the mainstream fitness world as solid truth.

For a short time, Caleb Lee has posted an exclusive video on his website that already has the web buzzing. In his video, Caleb takes on conventional wisdom, and explains why so many so-called "health foods" like whole grain and meal replacement bars actually do more harm than good.

"Anyone who's getting serious about dieting will want to take a look at this video," Danson said. "It is changing the way people look at fat burning. Caleb has never been afraid of controversy and he lays out a pretty solid case here."

Aside from the free video, Caleb is also offering an a great price on his program, which is aimed at helping people burn away ugly belly fat quickly and develop a toned six pack.
